

Imagine your loved ones...

- * Feeling valued and having a sense of belonging.
- * Being cared for by the same professionally trained people every day.
- * Engaging in daily living activities at all ability levels.
- * Feeling safe and comfortable in a home setting.

Memory Lane

**A Home for
Alzheimer's,
Dementia, and
Elderly Persons**

Activities

- ~ The hands-on home setting allows for residents to be active participants in daily household activities, such as simple meal preparation, clean-up, and helping out.
- ~ Surrounded by 10 acres, residents interact with both indoor and outdoor pets, under the supervision of staff.
- ~ Fishing and watching wildlife are readily available on the property.
- ~ Residents can be active participants in weekly shopping trips for the home.
- ~ Family style meals where everyone has an opportunity to share the day.

Contact Steve at 989-529-1236
for a free home interview.

Staff

- ~ Staffed 24 hours a day, 7 days a week.
- ~ Owners are a registered nurse for 10 years, specializing in dementia and Alzheimer's care, and a paramedic for 17 years in Detroit.
- ~ All staff are specially trained in dementia care.
- ~ All staff are cross-trained to properly respond to emergent medical needs of residents.

The **H**ouse

- ~ Beautiful 5-year old home in a county setting.
- ~ Fully furnished, but residents are welcome to bring personal items reminding them of home.
- ~ Local transportation provided for such things as shopping, doctor appointments, and outings.
- ~ Includes food, activities, peri-care items, and passing of medications.
- ~ Not included are clothing and medications.
- ~ Family members are welcome visitors any time convenient for them.

Mission

- ~ To be dedicated to providing a home setting for semi-independent individuals, especially those living with Alzheimer's and dementia.
- ~ To provide consistency of care and of caregivers creating pleasurable routines enhancing the comfort level of residents.
- ~ To focus on involving all residents to be active members of the home encouraging self-esteem and purpose to daily living.
- ~ To benefit all residents from individual care in a relaxed and safe environment.
